

## Jr/Sr High School Fine Arts Information

Dear Parents,

Our school will be participating in the SCACS Fine Arts Festival this coming March 14-15 here at Grace. We want you to be aware of the events available to your student and give plenty of time for planning ahead and for practice.

One of the important tasks of the Christian school is to train leadership. The SCACS Bible, Fine Arts, and Academic Festivals help to provide the framework to accomplish that task. Students work, train, and prepare that they might participate in these festivals to do their best in order that the Lord might be honored. It is in this early arena that students begin to sharpen their talents and skills which they will later use as adults in their service for Christ. It is to this end that SCACS provides these festivals.

At SCACS our students will be evaluated by qualified judges and given creative comments and awarded certificates for attaining Superior or Excellent scores, as well as the opportunity to place 1<sup>st</sup>-3<sup>rd</sup>. If your student is already in our school choir (or band), our group is planning to perform and your student will be expected to participate. There are fees for each event, including Academic Testing and group events.

Please keep this information sheet as a reference to help you keep track of when forms are due and what your student can participate in. Please note that failure to turn in a form on time may disqualify a student from participating in individual events.

Sincerely,  
 Renee Fleming  
 School Festival Director
